I-215 Ramona Expressway Project Update **Closures**

Powell Construction will close southbound Interstate 215 (I-215) at Ramona Expressway this weekend. The existing structure is being demolished and the false work to accommodate construction of the new structure is being erected. Please see the closure schedule below.

DATE	TIME	CLOSURE
January 26	10 pm to 6 am	SB off-ramp and one lane
January 30- February 3	9 pm to 5 am	Full closure-both directions

Detours for January 26, 2012

Southbound: Exit at Harley Knox Blvd., left on Harvill Ave. then left to Ramona Expressway.

Northbound: Exit at Nuevo Rd and turn left to Harvill Ave.; right on Harvill Ave. to Ramona Expressway.

Motorists will return to the I-215 using the ramps at Ramona Expressway.

Detours for January 30 to February 3, 2012

Motorists are to use the off-ramps and immediately return to the I-215 using the on-ramps.

The Ramona Expressway I-215 Interchange Project is overseen by Riverside County Transportation Department. Visit rcprojects.org for information on this and other Riverside County Transportation Department projects.
